WE ARE LOVE146

Love146 is an international human rights organization working to end child trafficking and exploitation through survivor care and prevention. The trafficking and exploitation of children is one of the darkest stories and most severe human rights abuses imaginable. But for us, the hope of ending it is a reality. Love146 is helping grow the movement to end child trafficking while providing effective, thoughtful solutions. We believe in the power of love and its ability to effect sustainable change. Love is the foundation of our motivation.
