

### **The Red Gala Event Committee**

The Red Gala is one of our most anticipated annual events. These elegant nights have attracted hundreds of prominent guests, including business executives, faith communities, educators, and dedicated Love146 supporters of the Greater Houston community.

#### **Who can join the committee?**

By joining the Red Gala committee, you are leading your community in the fight against child trafficking and exploitation. You are taking responsibility for one aspect of the Love146 puzzle to help ensure its overall success. The funds raised at the Red Gala help support the mission of Love146 and to create a better world for children.

#### **How much time is involved?**

As a member of one of our committee, you are usually expected to attend one monthly meeting leading up to the event in addition to attending the event. You will also be required to participate in the occasional teleconference and to be involved in regular email correspondence. You should expect to spend no more than 2 hours per week on Red Gala activities.

#### **What's in it for you?**

As a member of one of our committee, you will be able to influence the future decisions of the Red Gala and get involved in planning all aspects of the Red Gala event plan. You will meet new colleagues and make new friends with professionals who share your interest in ending child trafficking and exploitation.

If you feel you could contribute to the committee and are interested in joining please contact Marci Bradley at [marci@love146.org](mailto:marci@love146.org) for more information. Please visit our action page [here](#) to learn more about additional ways to get involved!
